

## South India Tour

15 days

The 15 day programme is mainly conducted in Tamil Nadu where the tourist can experience the traditional South Indian life. Tamil Nadu is rich in small villages with welcoming people who are open to foreign guests and who would love to interact with you. Moreover, Tamil Nadu offers you a wealth of ancient heritage, delicious traditional meals, colorful temples, handmade handicrafts and beautiful nature areas. We collaborate with about ten districts and villages where the local people have gathered in self-help groups and offer their services in a responsible way. Places which are included in the development tour are: Madurai, Tirunelveli, Tuticorin, Sivaganga, Tanjavur, Ramanathapuram, Pudukkottai, Kancheepuram and Kanniyakumari. The 15 days programme can be combined with one of the other states in South India. Every state in India has a different culture and often also another language. Once you enter a state in India you immediately experience a different part of India.

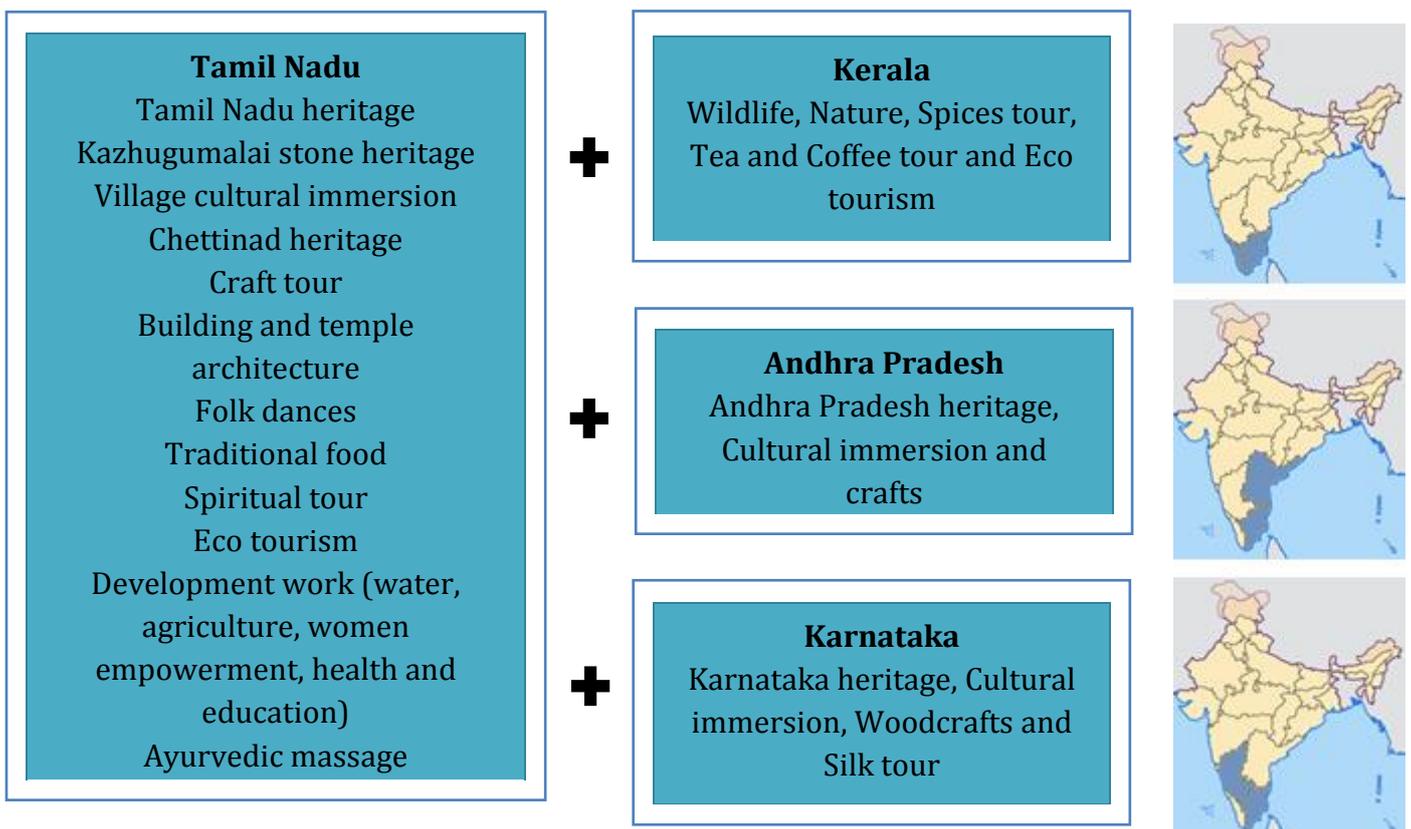

Kerala, Andhra Pradesh and Karnataka are three possibilities to combine with Tamil Nadu in a 15 days programme.

Kerala is famous for its wildlife, nature, spices, tea and coffee and absolutely worth to visit.

While the other states of India have a warm climate, especially during the months of April, May and June, Kerala offers a cooler climate, which makes it very pleasant to visit.

Andhra Pradesh provides you a wide range of heritage and is well-known for its textile and craft.

Karnataka is well-known for its Karnataka heritage, the cultural immersion, silk, woodcrafts and great to explore the rural side of Bangalore and Mysore.
