

Tamil Nadu and Kerala tour

10 days

The 10 day programme is a tour through Tamil Nadu and Kerala, the two southernmost states of India. The combination between these radical different states gives a good impression of the variety that India has to offer. Tamil Nadu is a busy and crowded state with a wide range of cultural heritage and activities. Tamil Nadu is rich in small villages with welcoming people who are open to foreign guests and who would love to interact with you. Moreover, Tamil Nadu offers you a wealth of ancient heritage, delicious traditional meals, colorful temples, handmade handicrafts and beautiful nature areas. We collaborate with about ten districts and villages where the local people have gathered in self-help groups and offer their services in a responsible way. Places which are included in the development tour are: Madurai, Tirunelveli, Tuticorin, Sivaganga, Tanjavur, Ramanathapuram, Pudukkottai, Kancheepuram and Kanniyakumari.. The traditions and rituals are still maintained in this colourful state of South India.

Kerala offers a completely different part of India and brings you closer to the nature and is full of spices, tea and coffee plantations. In addition, Kerala is more quiet and peaceful than the other crowded states of India and brings you closer to the wildlife, plantations and nature of India.
